

# Addition of one

## An addition activity

### What you will need...

- Numicon Shapes (Shapes 1-10, and one extra 1-shape)
- Numicon Feely Bag
- Numicon Number Line
- Numicon 0-5 and 5-10 dice

### What to do...

- Put Numicon Shapes 1-10 in the Feely Bag.
- Ask your child to take a Shape from the Bag and find it on the Number Line. photo 1
- Now ask your child to add one more to their Shape and find the total on the Number Line. photo 2
- Repeat until all the Shapes have been taken from the Bag.

### What next...

When your child can do the first part easily, try this:

- Ask your child to roll either of the dice and say what one more would be.
- Pick up the Shape to check.
