

'Working together in friendship and faith, learning for life'

'I can do everything through Him who gives me strength' Philippians 4:13,

Career Learning at Penistone St John's Primary School

We believe it is never too early to inspire and motivate young minds! We have introduced a career curriculum based on the Career Development Institute Primary Framework launched in 2022.

We look to embed career related learning into all areas of our curriculum and always enjoy speaking to visitors from the world of work.

This year in we are hosting an annual careers event in the school - the highlight of which is meeting new people and opening our minds to job opportunities.

Visitors linked to careers at St Johns include:

- Dentist
- Authors
- Mental Health workers from Compass B
- Occupational therapist
- Nurse
- Vet
- Farmer
- Police
- Fire and Rescue

There is no doubt that our visitors really inspire our children about the world of work and the importance of being the best version - and following your dreams!

Our new innovative approach to Primary Careers has been taken from a research report entitled 'What Works - Career-related learning in Primary Schools' published by Education and Employers Research and The Careers and Enterprise Company.
