Dear Parents,

Children achieve more when school and parents work together. Parents can help more effectively if they know what the school is trying to achieve and how they can help. A Home School Agreement will provide a framework for the development of such a partnership.

We recommend parents discuss the agreement with their child, especially the child's part.

There is room for your child to sign if they understand the agreement.

All parents and pupils as well as the school are now invited to sign the home/school agreement. This is not a legally binding contract; it simply makes clear the responsibilities of the school, your responsibilities and what is expected of the pupils.

Please complete and return the agreement.

Yours sincerely

Mrs Susie Arnold
